- **Monthly retainer package –**
- **Lead generation service** - Our team can generate business enquiries for your business, if you could do with the bit of extra work to fill the work book or feel you should be pricing more, let our team generate qualified business enquiries for your business, you can pay us per qualified lead tailored to however many you require or pay us a one off monthly fee and we will influx you with as many as we can supply!
- **Consultancy** - Are your teams busy? Or would just prefer an extra pair of eyes or a team of eyes on things? Let our consultants help your team source materials, vehicles, subbies, training, help support your operation, help plan your workbook, with consultants having worked over many sectors we can help with 9/10 of the issues that crop up in day-to-day business operations, we are here to help, we charge hourly and have no minimum charge or can assist on a one-off monthly retainer charge.
- **Procurement Support** - As touched on a bit in consultancy, are you or your buying teams under it or are you struggling to source a specific material? Our team can help source this material or manage the buying for one, multiple or all your projects, using our network of subcontractors, labour and suppliers we can demonstrate savings on your day-to-day purchases and even report on this weekly, monthly or however desired.
- **Tender, Pricing and Bill of Quantity Support and Services** - Do you or your team find big tender documents, pricing enquiries or bill of quantities with thousands of items to break down daunting? Or simply not have the time to manage them? Let us ease the pain! Our team can break these down and evidence these documents, we can also go out to all suppliers for the materials, plant, external labour or anything that is required on your behalf to make the quoting process even easier.
- **Supplier and Subcontractor Introductions** - Are you regularly purchasing products, using subcontractors or employing temporary labour that you always struggle to source? Are you looking for somewhere consist to purchase from? We have a team that specialise in supplier and subcontractor introductions, they can find you the best cause of action to your requirement and implement it into your supply chain like it was always there.

I hope this all makes sense, please don't hesitate to email me joshua@tradeleadsuk.com or call me on 0203 488 2960.
